

FROM MONDAY ON

Recorded by Paul Whiteman and Bing Crosby in 1928

Additional lyrics by Marilyn Okonow

From Monday on, our cares are over

From Monday on, we'll be in clover

We're here on Monday

Because it's song day

We'll sing our blues away

From Monday on, the skies'll look bright

Don't tell us diff'rent, we know we're right

We're gonna start shout-in' hey hey

Even with Parkinson's we're OK

We'll be happy, from Monday on!

We're gonna start shout-in' hey hey

Walk out hummin' every day

We'll be happy, from Monday on!
